CATAWBA VALLEY PREGNANCY CARE CENTER

The Pregnancy Care Center of Catawba Valley offers free and confidential services to women experiencing an unexpected pregnancy. Their trained volunteers and staff provide compassionate care, options counseling, including factual information on parenting, adoption and abortion and pre-natal development. In addition, they offer free pregnancy testing, limited ultrasound, parenting classes, material assistance and peer counseling. The PCC is non-profit and is supported by private donations from area churches, organizations and individuals. Each donation given to the Faith Commitment Offering in January will go to support their ministry.
